

Vermilion is an international energy producer that seeks to create value through the acquisition, exploration, development and optimization of producing properties in Europe, North America and Australia. Our business model emphasizes organic production growth augmented with value-adding acquisitions, along with providing reliable and increasing dividends to investors. Vermilion is committed to ensuring we conduct our activities in a manner that will protect the health and safety of our employees, contractors and the public.

Vermilion attracts outstanding people with strong technical skills and a collaborative mindset. Around the world, our employees are challenged and inspired to achieve their best – they are exceptional people managing strong assets. A career with Vermilion Energy means competitive compensation and high personal satisfaction.

INTERNSHIP PROGRAMME 2023

Vermilion is offering work experience internships between May and September 2023 at the Bellanaboy Bridge Gas Terminal.

The Internship Programme offers paid employment for 8 – 12 weeks during the summer to students studying the following disciplines:

- **Engineering** (Mechanical, Electrical, or Civil Engineering)
- **Finance/Business**
- **Health Safety & Environment**
- **Communications**
- **Laboratory Analyst** (Science, Biology Student)

REQUIREMENTS:

- Preference will be given to suitable, qualified students from the Erris area.
- Students must be studying one of the above discipline to qualify for the programme.
- Only students who will be returning to college in September / October 2023 will be considered.
- Priority will be given to students entering their final year of study in 2023.
- Candidates must be self-motivated and a strong team player with the ability to build relationships and work constructively with others to achieve business goals.

Places on the Internship programme are subject to availability

APPLICATION:

Please submit your CV together with a covering letter outlining which Internship you are applying for and outlining your suitability by **Friday March 31st 2023**
